

Minor in Information Systems (Fall 2009)

The minor in Information Systems is open to all students not majoring in either Computer Science or Information Systems or minoring in Computer Science. To declare the minor in Information Systems, students must complete ISE 102 with a grade of C or higher. The minor requires seven courses totaling 21 credits as outlined below:

Information Systems Courses¹				
Number	Title	Credits	Grade	Semester
ISE 102	Introduction to Web Design and Programming			
ISE 108	Introduction to Programming			
ISE 208	Intermediate Programming			
	Four electives, totaling at least 12 credits. Electives must include 9 credits of upper division courses and at least 9 credits of ISE courses. ²			
Total Credits				

¹ All courses must be completed with a grade of C or higher.

² Approved courses include most ISE/CSE courses and other courses relevant to Information Systems. Consult with the ISE Undergraduate Program Director on the suitability of an elective course prior to registration.
