

About the Department of Computer Science

800+ Current Computer Science and Information Systems undergrads

500+ Master's and Doctoral Students

\$10M Approximate research expenditures

4,500+ Students enrolled in CS courses

53 Core faculty and climbing

8,000+ Alumni

AFFILIATIONS

- Brookhaven National Lab
- Cold Spring Harbor Lab
- SUNY Korea

NEW BUILDING

- Opened June 2015
- LEED designed
- 70,000 square feet
- 18 research labs

RANKINGS

- Top 10% of doctoral programs — National Research Council
- Top 10 schools for return on investment — payscale.com

RESEARCH CENTERS/COLLABORATORS

- Center of Excellence in Wireless and Information Technology (CEWIT)
- CEWIT Korea
- Advanced Energy Research and Technology Center
- Center for Dynamic Data Analytics
- Center for Smart Energy
- Center for Mobile Computing
- Center for Visual Computing
- Department of Biomedical Informatics
- Institute for Advanced Computational Science
- National Security Institute

FACULTY HONORS AND AWARDS

- ACM and IEEE Fellowships
- Alfred P. Sloan Research Fellowship
- Google Faculty Research Award
- IBM Faculty Award
- Long Island Technology Hall of Fame
- Morningside Gold Medal
- NSF CAREER Award
- SUNY Distinguished Professorship
