

Research in Quantum Computing and Networks Workshop

Thursday, November 2, 2023 | 9am - 5pm
New Computer Science, Room 220

Join the Department of Computer Science as we welcome SUNY faculty from various departments, and researchers from Brookhaven National Lab and CUNY Hunter College.

Sponsored by the Center for Quantum Computing and Networks, funded by the Stony Brook University President's Innovation and Excellence Fund, the workshop will facilitate collaboration between researchers and faculty.

View the workshop agenda at www.cs.stonybrook.edu.

Stony Brook University

Faculty should register by Oct. 27 at <https://bit.ly/3tmLF85>
