

Stony Brook University, Computer Science Department
CSE 523 Advanced Project in Computer Science
Approval Form

Name of Student: _____

Student ID: _____

Semester: Fall _____ Spring _____ Summer _____ Year _____

NOTE: If this is the first approval for CSE 523, complete only Section B, have it signed by your project advisor, and submit the completed form to the Graduate Program Coordinator for permission to enroll. If you already have approval for another section of CSE 523, complete both Sections A and B; enrollment will not be permitted until both sections are complete.

SECTION A: *(To be completed if the student is already approved for a different section)*

The above student has been released from earlier commitment to work on a CSE 523 project with me.

Name of Current Project Advisor: _____

Signature of Current Project Advisor

Date

SECTION B: *(To be completed by everyone requesting approval and permission to enroll)*

The student indicated above is approved to register for CSE 523 Advanced Project under the section specified below. The student does not have another active approval for CSE 523. It is understood that the student may not enroll in another section of CSE 523 while this approval is active. It is also understood that the student is expected to complete both parts of Advanced Project, CSE 523 and 524, with the same advisor.

Name of Project Advisor: _____

Section No. for CSE 523: _____
