Notes. A detailed description of the computer science major requirements reflected in this checklist can be found in the Stony Brook Undergraduate Bulletin. For information about general (e.g., D.E.C.) requirements, consult the CEAS Undergraduate Office.
D.E.C. D. Computer Science majors should also note that successful completion of one D.E.C. category D course has been added to the graduation requirements effective for newly matriculated students in Spring 2006 or later.
${ }^{\ddagger}$ Advanced courses may be substituted with the prior approval of the department.
